Step 3

Under Medical Alerts, check the **appropriate allergies** or **health conditions** for that patient.

Step 4

To add additional information to a new Medical Alerts form, scroll to the bottom of the page and type into the **Additional Comments** field.

Step 5

The Dental Questionnaire tab shows a form configured by an office with dental questions to be answered by the patient.

Step 6

The Medical Questionnaire tab shows a list of medical questions to be answered by the patient. This section can include an area to list current medications. The Medical History As Of date dropdown enables access to the patient's previous medical histories.

Step 7

Once all the forms are complete, click the **Signature tab** or the **Sign** button to allow the patient and dentist to sign the Medical History.
